## VIOLATIONS OF ADMINISTRATIVE RULE

**DOC 350.09:** *The sheriff shall develop a written policy and procedure manual for the operation of each jail.* Currently, the facility is working on a new policy/procedure manual through Lexipol. As noted in the 2016 inspection documents, policy revisions were to be submitted prior to the facility's next inspection. To date, the Office of Detention Facilities has not received a policy/procedure manual from the Forest County Sheriff's Department.

**DOC 350.11(20):** *A security procedure is in place to control and account for sharps, tools, and utensils at all times.* [REDACTED]

[REDACTED] The facility was unable to provide a log referencing sharps stored in the kitchen. This was discussed with the Sheriff, JA and Kitchen Manager on the day of the inspection.

**DOC 350.13 (5):** *A health appraisal that is to be completed within 14 days after arrival at the facility unless a health appraisal has been completed by health care staff within the previous 90 days. The health appraisal shall be completed by health care staff in accordance with protocols established by the responsible physician. A random review of health appraisals during the on-site inspection revealed that not all health appraisals are being completed within the required time frame.*

**DOC 350.18 (1):** *The jail shall have a system providing for well-being checks of inmates. Policies and procedures shall provide that all inmates are personally observed by jail security staff at staggered intervals not to exceed the following: (a) 60 minutes (b) 15 minutes for inmates housed on suicide watch. Observation logs reviewed found areas where the timeframe is past the maximum timeframe allowed between checks specifically for suicide watches.*

**DOC 350.24 (2):** *Discipline for a minor violation. (a) In this subsection, "minor violation" means a violation of the jail's rules of behavior for which minor discipline or any combination of these consequences may be imposed if the accused inmate is found guilty. A minor discipline is a verbal or written reprimand, restriction of privileges for 24 hours or less, or placement in disciplinary segregation for 24 hours or less. Documents reviewed found areas where inmates were imposed discipline beyond what is allowed for a minor infraction.*

## **MISCELLANEOUS**

**State Statute §968.255 (6):** *Each law enforcement agency and each facility where a strip search may be conducted pursuant to this section, shall establish written policies and procedures concerning strip searches which at least meet the minimum requirements of this section and shall provide annual training regarding the policies and procedures to any employee or agent of the agency or facility who may conduct a strip search. The last time employees of the Forest County Sheriff's Department received strip search training was in June of 2016. Per state statute, this training is required annually.*

## **JUVENILE CODE REVIEW – DOC Chapter 346**

The Forest County Jail is approved by the Department of Corrections for the temporary detention of juvenile offenders in the juvenile portion of the county jail. Maintaining compliance with applicable administrative codes, state statutes, and the federal Juvenile Justice and Delinquency Prevention Act (JJDP) is required.

A review of the juvenile records revealed that three juveniles were held in the facility between October 25, 2016 and December 8, 2017. Juvenile files are maintained separately from adult files as required; this also includes juvenile medical files separate from adult medical files. Juvenile observations are completed [REDACTED] as required. Sight and sound requirements are maintained as well. Monthly data collection records are forwarded to the Department of Justice, Training and Standards Bureau, Juvenile Justice Programs as required.

## RECOMMENDATIONS

- Provide the updated jail policy manual to this office, once completed, for review and approval. Include the policy checklist provided identifying where each DOC 350 requirement can be found in your policy. (Brought forward from 2016 inspection).
- Address maintenance issues noted above.
- Develop a comprehensive form for the documentation of internal monthly fire safety inspections and safety and sanitation inspections and implement procedure. (Brought forward from 2016 inspection).
- Develop a procedure to ensure all staff completed required annual training.
- Develop a comprehensive form for the control of sharps in your kitchen area.

## STATEMENT OF APPROVAL

The Forest County Jail is approved by the Department of Corrections for the secure detention of adult offenders with the maximum capacity of 85. This approval is contingent on the corrections of the violations noted above and continued compliance with all applicable state statutes and administrative codes.
